New beginnings
start here

The new Artcobell catalog experience begins here.

All of our products are featured in one comprehensive catalog, with larger images, less text & a solutions-oriented approach.

The catalog layout follows the zones found in a school, focused on five primary zones: The Classroom, The Laboratory, Technology Center, The Cafetorium & Administration.

Each zone features the most relevant products & are shown with complementary selections, a great way to start new conversations about solutions.

If you see a product you like, there is no more guessing about how to order, we have included the complete model number for convenient ordering. Like what you see but want it in a different color? Updating the model number is easy, not sure how? Check out the guide on page 67 for details.

Model Number Reference Guide

This catalog is designed to work with the new 2014 price list to make ordering products simpler & easier.

While the new price list will include many new features to streamline the ordering process, the catalog allows for easy product selection with the ability to customize polypropylene & solid plastic colors built-in.

Model numbers are color coded to easily identify color changes for polypropylene & solid plastic.

Please note: it is the responsibility of the dealer to verify the product details specified when ordering, including sizes, glides & finishes.

Contact your Customer Support Representative if you have any questions about the model numbers listed or to assist with specifying alternate options, such as laminates, edges or glides.

Easy as 1, 2, 3

1. locate **pink**, **blue**, or **green** digits in the model number
2. select new color from Materials & Finishes guide
3. replace the digits as shown in the examples

Examples

■ Polypropylene - Discover, Prodigy, Uniflex & Student Desks

Model numbers include 2 digits for polypropylene color. For single digit polypropylene colors, replace the **second** digit with a zero* (0).

To change colors for the Discover 4-leg chair shown on page 4:

D10A95S0030X Discover 4-leg A size with Sunset Orange Shell, Chrome Frame & Nylon Glides

D10A9530030X Discover 4-leg A size with Purple Iris Shell, Chrome Frame & Nylon Glides

D10AM500030X Discover 4-leg A size with Indigo Shell, Chrome Frame & Nylon Glides

*As with most rules, this one also has an exception. For Uniflex 72 & 78 series combination desks, the second digit for single digit polypropylene should be replaced with an (X) rather than a zero.

■ Polypropylene - Discover HD & Archetype

Model numbers include 2 digits for polypropylene color. For single digit polypropylene colors, replace the **first** digit with a zero (0). For Discover HD, seat and back color are specified separately - first specify two digit seat color, then two digit back color.

To change colors for the Discover HD chair shown on page 23:

DS0A59E9E00300 Discover HD A size with Apple Green Seat & Back, Chrome Frame & Nylon Glides

DS0A50S0S00300 Discover HD A size with Sunflower Seat & Back, Chrome Frame & Nylon Glides

DS0A50G9F00300 Discover HD A size with Graphite Seat & Sea Foam Back, Chrome Frame & Nylon Glides

■ Solid Plastic - Seat & Backs

Model numbers include 1 digit for solid plastic color.

To change colors for the Solid Plastic H1 chair shown on page 19:

H1X7C5G00300 Solid Plastic H1 A size chair with Cranberry Solid Plastic, Chrome Frame & Nylon Glides

H1X7N5G00300 Solid Plastic H1 A size chair with Navy Solid Plastic, Chrome Frame & Nylon Glides
